HOA President's

It is hurricane season, and I understand recently there was a post on social media claiming the board is not doing anything to prepare for flooding. That simply is not true, and if you attended the monthly meeting on June 3rd, you would know it is not true. I will list again what we have been doing but realize GAV is in the flood zone and if flooding is a genuine issue with you, your best solution is to consider moving to a non-flood zone.

Here is what I said at the June 3rd meeting: A few months ago, I met with Vincent Cruz and showed him which storm ditches needed to be maintained and asked him to keep the vegetation trimmed on a regular basis.

A month ago, I set up a meeting with the gentleman from Suncoast Waterways who treats our retention ponds, and we walked each pond looking at the way they drain. I was told during that meeting that if the actual drains from the ponds are inspected and treated for weeds, they will remain in good working order. I did request an additional service at the time. I wanted the ditches leading to the canal sprayed to reduce weed growth on a regular basis. He gave me a quote of \$125.00 for each treatment and I told him to start next month. As luck would have it, I understand after his first treatment there was a heavy downpour washing away his work.

I also had numerous conversations and meetings with the city engineer over the past two years about our storm sewer drainage system and how well it worked. His response was it has worked as designed. We met several times about who had what areas of responsibility and are still discussing a few areas in question. We went back to the very beginning when GAV was first created and followed the trail of information we could locate to determine who had what responsibilities.

Two months ago, I attempted to have a few dredging companies come out and give us their assessment as to whether we need to dredge. Each one I contacted told me they do not dredge residential communities. I got the feeling it was for liability reasons. I still pursued it and found someone who would provide a quote. I met with them on May 2nd and we walked the ditches. Once we have the quote a special meeting will be scheduled for the board to discuss what we want to do or not do. The concern is that dredging can increase the amount of water that is stagnant in the ditches and could cause additional erosion without significantly improving water flow. Everyone I spoke with said the same thing...keep doing what you are doing and maintain the ditches. The city watched the water flow during Helene and said our system did an excellent job of managing the water. They added we did better than other communities in Oldsmar and reminded me that GAV is in **the flood zone** so to eliminate flooding is impossible unless you move to higher ground. Efforts will continue to minimize flooding in GAV.

The wall reconstruction project along Curlew is on hold until the work on Curlew is completed. The city of Oldsmar has asked us to "move slowly" to avoid adding more traffic congestion in that area with an additional construction crew. We will keep you updated.

One last thing, a big thank you goes out to Mike Breton for getting a new flag back up our flagpole right before the Memorial Day service. The rope used to hoist it broke and the flag fell to the ground. Thanks, Mike, we salute you for a job well done!

GAV Social Club

We now have a new look to our clubhouse. During the long break in June a new floor was installed. It has been a long time in coming but the result is worth it. To prevent scratching the new floor, we do request that you do not drag any tables or chairs across the new floor.

We are now ready to start having fun again. July starts off with our 4th of July Cookout. This is always a festive event with all the patriotic decorations (sorry, no fireworks). The Social Club will supply hamburgers and hot dogs. All you need to bring is a side dish for 10 people. Koffee Klatch will be on the 5th and 19th. This is a great time to start the day off having delicious coffee and pastries with your friends. My favorite, the ice cream social, is on the 12th. Don't forget Bunco on 14th and 28th. Karaoke is on the 18th. For July and August, hot dogs and hamburgers will be on the second and fourth Wednesday only. Floats in the Pool will be on the 26 from 1:00 to 4:00. What a way to spend a warm afternoon.

In August we will have a potluck dinner with a Red/White/Blue theme. Bring a side dish for 10. The 23rd will be our Beach Party Dance. You can guess the theme. Karaoke is on the 15th. Koffee Klatch is on the 2nd and 16th. Bunco on the 11th and 25th.

We start September off with our Labor Day cookout. On the 2nd will be our first Social Club meeting of the season. We will have a dinner dance on the 13th and a Baked Potato Bar on the 27.

As always, please keep checking the bulletin board and the Social Club Official Facebook Page for any updates and additional information.

See you all at our fun-filled activities.

Dale Mathurin

A HISTORY MINUTE

Shortly after Pinellas County came into being in 1912, Ransom Eli OLDS purchased 37,514 acres of land for a mere \$400,000 in 1916.

The area of that purchase that makes up Oldsmar was originally called "RE Olds-by-the Bay". A few years later it was renamed Oldsmar, "Olds" of course for our founder, and "mar", Spanish for the sea or any body of water. Hence "Olds at the top of Old Tampa Bay".

In 1927, to associate with the growing neighboring city, our name was changed to "Tampa Shores." In 1937 the name was reincorporated back to "Oldsmar".

Kenn Sidorewich -

Architectural Committee

It has been an easy going past few months and most residents have turned in their applications and we want to thank you for that. A few people have started painting and have not turned in applications which makes our job a little bit harder, but we still contact them and try to get them to fill out the form.

Over the summer months we will still try to get back to residents as fast as we can. Remember that if you are requesting a shed, please attach a copy of your survey with your application. As always, you may contact any of the committee to help with any questions you may have. The City of Oldsmar, as well as Pinellas County, are great resources to get information on permits.

Committee members are Peggy Allison, Carl Foley, Jill Kauss, Ralph Richardson and Randy Collinsworth.

12th Arts & Crafts Show
Sat. November 29th, 2025
9:00 to 2:00
Gull Aire Village Clubhouse

Please Read Carefully

Inside spaces are 8'W x 6.5'D and tables and chairs are provided. Outside vendors must supply their own tent, table(s), and chairs. All spaces are available for \$35 w/ \$5 extra for electricity (available indoors only). To allow us to keep the space fee at this low rate, we are asking that each vendor donate one handmade craft item that will be placed in our hourly raffle. Raffle tickets will be \$1.00 for drawings that will be held each hour (10, 11, 12, 1).

Tables or display items that extend beyond space allotted will not be allowed. All exhibits must be **handmade arts and crafts**. To maintain a diverse and exciting show for our customers, we reserve the right to limit the number of exhibitors selling similar types of wares. Early set up on Friday the 28th will be available from 4:00 - 7:00 p.m. for indoor vendors only (we cannot provide overnight security for outdoor tents). After setting up on Saturday, all crafters should park toward the rear of the clubhouse providing more spaces in the front and side parking areas for guests.

Vendors may check in at the clubhouse at 7:00 a.m. on Sat., Nov. 29th. Once you have received your packet, you will be directed to the closest unload site where volunteers will be available for assistance. Free morning coffee and donuts will be available. Lunch will be available on-site for purchase.

Important: Please keep in mind that this is a rain or shine event and no refunds will be issued. We only permit handmade arts and crafts exhibitors and reserve the right to deny vendors selling commercial merchandise. Each vendor accepts responsibility for their own space, merchandise, and sales tax. You must set up by 8:30 AM and remain for the entirety of the event.

If you are an arts and crafts exhibitor and are interested in our show, please complete form below and return it with a check made out to GAV Social Club Craft Show and mail to the address below. All new vendors must submit one or more pictures depicting your craft. Confirmation and other correspondence by email only. ***Gull Aire resident vendors will receive priority if paid reservation is received by July 31st.*** All spaces will be assigned on a first come first serve basis.

Contact Maryann Sieminski flskis2@yahoo.com for questions or additional information.

Please keep the upper portion and return the form below with your check to the address below.
