Tai Chi Club meetings begin this month on Mondays & Fridays from the 7th - 25th at 10:30 AM. Our 45-minute practices will be guided by DVD instructions from Tai Chi Masters Suman Barkhas, Fuzhong Li and others. Each session will include warmups, the modified 8 forms for seniors and a cooldown. We will have both standing and sitting Tai Chi exercises. Participants need to assess their ability to participate and are responsible for their own actions, during practices.

Tai Chi for Seniors is a gentle and healthy exercise for the entire body. Come join us!

BOCCE

Our Bocce season comes to an end on May 1st. This is the time all our snowbirds head North and our Summer Heat and Rains begin. The 2018 – 2019 Bocce season will start in October 2018 and run thru the end of April 2019. Sign-up sheets for the fall/spring Bocce season will be posted in the clubhouse this coming September.

Last summer we tried having a formal Summer Bocce League. The Hot Florida Sun proved to be stronger than the bravest hearts of those individuals who wanted to play. After a month we canceled the balance of the summer season. There are no plans to have Summer Bocce League.

Even if we do not have a formal summer schedule, individuals are welcome to do pick-up games.

SHUFFLEBOARD

Pres. Jack Smith – 727-773-2670

Capt. "A" Team – Doug Campbell 812-595-2627

Capt. "B" Team – Ed Giangregorio – 727-772-0247

During the Spring meeting on March 15th, the president and both team captains were re-elected for the 2018-2019 season. It was also decided at that time to have our banquet at Rumba Grill on April 6th. Other issues covered the usual need for volunteers to help maintain our courts in the best condition.

In the Pinellas Big Ten Shuffleboard League, 2017-2018, Gull Aire "A" Team Division came in at 5th place out of ten with a 521 average and in 4th place out of ten with a 538 average for the "B" Team Division. In the President's Trophy Final Club standing, Gull Aire Village came in 2nd place, with Embassy in 1st place.

On April 4th we had a "Battle of the Sexes" shuffleboard playoff. The match was between "Billie Jean King Team" vs. "Bobbie Riggs Team". It was won by the men 12 games to 6 games for the women. The individual games were very close and could have gone either way as some were won by only one point. Near the end of many games, scores were even or nearly so. The winner remains the "Bobbie Riggs" men until such time as the "Billie Jean King" women can muster their forces and wrestle that title away for their "bragging" rights! An added note that one of the players lost their watch and remedial reading glasses and anyone finding such should turn them in at the office to Alice. A note to all lady shufflers – the above information was submitted by a male shuffler!!

On April 6th we had our End of Season Banquet at Rumba Grill and I believe all of our Shufflers/spouses and special guests attended. Everyone had a great time. After the dinner, several awards were presented to shufflers with high average, most improved, etc. Also divulged was Dave Hite's unique way of scoring and winning his game!!!

We want to wish all of our snowbirds a safe trip, stay well and return ready to begin our 2018-2019 season which begins on November 12th.

Stroke Education and Prevention Program

May 19th, 10:00 am
(following Koffee Klatch)

Crystal Valentine, Owner of Heartbeat Imaging will give a talk on the importance of stroke education.

There are more than 140,000 deaths each year caused by stroke. Someone has a stroke every 40 seconds, and every 4 minutes someone dies from a stroke. Statistics show that 40% of men and 60% of women with strokes result in death. Eighty percent of strokes can be prevented and treated before they become a more serious problem.

Join us for this important and informative program.

7 WONDERS

A group of students were asked to list what they thought were the present "Seven Wonders of the World". Though there were some disagreements, the following received the most votes:

- | | |
|---------------------------|--------------------------|
| 1. Egypt's Great Pyramids | 5. Empire State Building |
| 2. Taj Mahal | 6. St. Peter's Basilica |
| 3. Grand Canyon | 7. China's Great Wall |
| 4. Panama Canal | |

While gathering the votes, the teacher noted that one student had not finished her paper yet. So she asked the girl if she was having trouble with her list. The girl replied, "Yes, a little. I couldn't quite make up my mind because there were so many." The teacher said, "Well, tell us what you have, and maybe we can help."

The little girl hesitated, then read: "I think the 'Seven Wonders of the World' are:

- | | |
|-------------|-------------|
| 1. To see | 5. To Feel |
| 2. To Hear | 6. To Laugh |
| 3. To Touch | 7. To Love |
| 4. To Taste | |

The room was so quiet you could have heard a pin drop. These things we overlook as simple and ordinary and that we take for granted are truly wonderful!

A gentle reminder: That the precious things in life cannot be built or bought by man.
