**President's letter:**

As you may have heard Ralph Richardson has left the Board. Thank you, Ralph for volunteering and for helping during a difficult time.

In my September letter I explained the issue with the spillways to the canal. We have discovered that the area in question does belong to Gull Aire Village, and we are responsible for its upkeep. With that in mind we have requested an estimate on what it will cost to bring both areas into compliance. We will keep you updated.

We are continuing to clean up areas around the community that need attention so if your property is adjacent to the common grounds and you think it needs our attention let one of the Board members know.

It has been a busy summer and I want to thank everyone for all their help. The Social Committee has kept the residents occupied with plenty of activities and the Architectural Committee has been busy following up on resident requests. Thank you!

And finally, it's the time of year when the snowbirds fly back to roost. We want to welcome everyone back and want you to know you will no doubt see some new faces around the community. We had many people move in over the summer so be sure to welcome them!

SOCIAL CLUB

Did I hear someone say they heard it at the pool? Well, it probably was true this time. Yes Marilyn Monroe, Elvis, Puffin Willie, Janice Joplin, Sonny and Cher, Gene Kelly, Dolly Parton, Tina Turner and her backup dancers and even some Old Geezer couples were at our clubhouse singing. If you didn't see them, then you missed out on a fantastic headlinershow. TC Hite, Barbara Drawbaugh and Richard Clark put on the production that really was New York stage worthy. Thank you to all the performers that put in hours of rehearsals and to all that decorated and made the night a success.

We had another Float at the Pool party which was big hit. I think the sundaes sold were just as much a hit as the floats in the pool. The weather worked out just right, pool was right, music right, and hotdogs right. Perhaps next summer we can continue our monthly Float at the Pool parties. This was such a fun event and the social club benefitted from the sale of the hotdogs and ice cream. Last count I had was 51 people in attendance, and we were able to welcome some of our new neighbors.

Last month the social club lost our dear friend, Chef Joe Carty. When anything needed to be done in the kitchen, he was there ready to go. Not only did he keep us fed, but he also kept us laughing. He will be missed for his joyous smiles, laughter, and his love for telling us how he made something taste so much better (which he did.)

To keep our hotdogs going for Bingo, we will be needing people to help. At least once every 2 months, from 3:30 to 5:30 your assistance would be needed to cook the hotdogs. You will still be out in time to play Bingo. We have 5 volunteers ready to help, but we need 3 more. Schedules can be arranged. We have everything and everyone else lined up, but we need a collaborative effort if we are going to continue with the hotdogs every week. If you would like to lend a hand, please let me know.

Talk about cooks, we sure have some good ones here in Gull Aire. Our Labor Day cookout was another great success. I kept waiting for all the table numbers to be called so I could hit the table and I went straight to the desserts. We had so much food from salads, baked beans, noodles, casseroles and much more. Maybe we should just plan an event where everyone just brings dishes again. I'm sure there would be plenty for us to eat. Thank you to Charley Freeman and Randy Collinsworth for cooking burgers out in the hot sun, my husband Paul for the hotdogs, Diana Lutch, TC Hite, Shelia Clark, and Karen Collinsworth for preparing the veggies, Ken Sidorewich, for lending an extra hand and everyone who helped clean up afterwards. A special shout-out to the individuals that set up the tables after Koffee Klatch on Saturday in preparation for the cook-out. It truly does take a village to make everything work out smoothly.

Be sure that you keep an eye out for the upcoming events. The holidays are just around the corner so be thinking of Halloween, Thanksgiving and of course Christmas and make sure that you sign up for them before the deadline. It is important to have an accurate number of attendees when making necessary purchases. We have some great events planned so watch your calendar.

FREE OCTOBER 2021 GAV MOVIE
"SENIOR MOMENT"

When I saw this movie, I said to myself how appropriate this is for Gull Aire Village. Victor Martin (William Shatner) is a retired NASA test pilot often seen speeding around Palm Springs in his vintage Porsche convertible with his best friend Sal (Christopher Lloyd) in tow. His life changes when his license is revoked for drag racing and his car is impounded. Forced to take public transportation for the first time, he meets his polar opposite Caroline (Jean Smart) and learns to navigate love and life again as he goes up against the state's new DA to get back his license and car. This movie is rated "PG".

DATE: Sunday, October 10, 2021
PLACE: GAV Clubhouse
TIME: 2:00 P.M.

NOTE: Social distancing and optional wearing of masks is recommended. You may bring your own seating for your comfort. Complementary hot popcorn for the movie will be available.

"Shower the People"

Toward the end of August, two fairly young Gull-Airians passed suddenly into eternity. One was shy of 70....the other never made 60.

Mark Cortelli, a legend at Bingo, died at home at the age of 58. Despite physical and mental limitations, Mark was a dedicated and hard-working employee of Goodwill for many years. Bingo regulars knew and loved Mark.

Joe Carty also died at home at the tender age of 67. You probably tasted the fruits of Joe's cooking labors at our many holiday cookouts, pool parties, and at Bingo on Wednesdays. Joe did a lot of the shopping for these events and was always concerned about the quality of the product he served.

I would venture to call both of these guys "Gull-Aire Village Hall of Famers" and of course, it is too late to give them words of thanks. Way back in 1976, the year the earliest site plan was conceived for our village, James Taylor sang the words....."shower the people you love with love....tell them the way that you feel".

Mostly all the "work" done here in our village, much of it behind the scenes, is of the volunteer variety. I heard it said that "volunteers don't get paid because they are worthless, but rather volunteers don't get paid because they are priceless".

Those who serve...those you love...thank them sincerely while they still live.

PLEASE TAKE NOTE!

ARCHITECTURAL GUIDELINES

LATTICE: Lattice made from white vinyl or white PVC material may be used for the purpose of landscaping if they meet the following criteria: ~ May not attach to the house or be used as an enclosure of any kind. ~ Must be kept clean and free of mold. Lattice made from white PVC material may be used for the purpose of carport décor or to shield garbage cans from view. Other possibilities will be considered by the Architectural Committee as well. Brown lattice of any kind is prohibited.

VETS' CLUB

Mark your calendar for October 12th at 7pm. The Veterans group will be having a speaker from Pinellas County Veterans. They will be here to talk on several issues, from disability to death, that concern veterans and their families. Please come prepared with your questions. On another note, we are still collecting pictures for our veteran's wall in the clubhouse. Elaine Foster has started a nice display. We have these veterans to thank for our freedom. Please check out this wonderful display. If you know other veterans in the village, please invite them to attend our meetings on the second Tuesday of every month at 7 pm. Come out to enjoy coffee and snacks with those with similar interests and concerns. If you have any questions, please contact Peggy Allison. 304 415 2684 pegqysboys@gmail.com

- Stabilizing Devices • Roof-Over Strapping

- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Retro-fit to Current State Standards

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
