### PRESIDENT'S LETTER

It is the beginning of a new fiscal year. We have a new board and plenty of work ahead. However, before we start with the new, I would like to give thanks to Stewart and Randy for stepping up and doing an outstanding job over the past two years. The old board would not have been as successful as it was without them! Thanks guys! Now you can just enjoy life and not answer all the questions and listen to all the village concerns!

In case you have not heard, the pool hours have been changed. The pool will now close at 10:00 pm instead of 11:00 pm. This was done to save on electricity and allow Todd an extra hour to prepare the pool for the following day. The old board decided to try these new hours on a temporary basis and later assess if it is to become permanent...stay tuned.

If you attended the special meeting on January 30, 2024, you heard the presentation given by the Archer Western Construction Company who will be replacing the water pipe that spans through our community and crosses the canal. Residents that did attend learned how they plan to install the pipe underground and the impact it will have on GAV. To minimize the impact the old board agreed to allow the use of the RV lot at the end of Salmon Court to stage equipment and set up the drilling machine. Otherwise, they would be driving their trucks in and out through our streets disrupting the whole community and possibly causing damage to our roads. This way they will be able to enter and exit via a gate from the subdivision behind the RV lot directly to the lot. By allowing the use of our lot the board agreed to enter into a Right of Entry Agreement. In this agreement, the community will be assured that when the construction is finished the contractor will restore the lot back in the same or better condition than when they started, they will provide alternative storage of the RVs that use the Salmon Court lot at the contractor's expense, they will remove the invasive Brazilian Pepper trees along the ditch behind the homes on Salmon and Trout but leave the good vegetation, provide optional temporary living arrangements for residents adjacent to the drilling machine, and construct sidewalks for pedestrian traffic only at two locations from Canal Way to the Outfall Canal for residents to use to access the canal walkway.

John Monser, President

**FYI - SETBACK or EASEMENT?**

Residents who are starting new outside projects need to be reminded that, as a “deed restricted” community, there are certain requirements for outside improvements.

In accordance with our covenants, residents are required to submit an Architectural Change Request PRIOR to commencement of the work. (Applications are online and available in the clubhouse).

There has been confusion between a setback or easement, especially if you are installing a PERMANENT improvement, such as a shed.

An **EASEMENT** is the area which gives the right to access your property for a specific purpose – should any utilities company need to dig up your lawn to repair the underground connections that may run between or in back of you and your neighbor’s property. Therefore, according to our covenant it is not allowed to put anything “permanent” in that area. Should there be anything hindering the companies from accessing these areas, they have the right to remove it and not replace what was added.

A **SETBACK** is the minimum distance a building or structure must be “setback” from the surrounding property lines. This would apply to again adding a “permanent” structure such as a room expansion or shed. An Architectural Change Request should be submitted prior to commencement of work PLUS it is highly recommended that you or your contractor contact the City to inquire if a City Permit is required for your project.

For more specific explanations regarding Architectural Change Requests, go to the website ([gullairevillage.org](http://gullairevillage.org)), under documents, select Architectural Guidelines.

Maryann Sieminski, Architectural Committee

**MEET THE CANDIDATES**

Come out to Koffee Klatch on March 2<sup>nd</sup>, 9AM to meet the candidates who are running for City of Oldsmar Council Seats. Each individual has been invited to attend along with the Mayor and other council members. Those running for office, will be given two minutes to speak on their campaign. Stay tuned to the Official Gull Aire Social Club Facebook page for more information. This should be a very informative meeting with our candidates. Hopefully everyone takes the time out to use this opportunity to meet our city officials.

## SOCIAL CLUB NEWS

We have had so much fun these past months.

By the time this letter is in the newsletter, Granny's Attic will be a memory. I am certain that Diana Lutch knocked it out of the park again. She is so great at organizing this event. And we thank all the people that donated items and those that worked tirelessly to make this happen. It is always our biggest fundraiser. Thank You all!

Brad & Chuck hit a HOME RUN with our Music at the Pool in January. We love our community and having such great musician's volunteer a few hours to entertain us is fantastic. Just remember when they bless us with their entertainment, they are doing it for tips only. They are planning another Music at the Pool on Friday, March 29. 6 – 8 pm. We thank our residents for being so generous. If there are other neighbors that have these talents and would like to volunteer to entertain, please contact someone on the Social Club board.

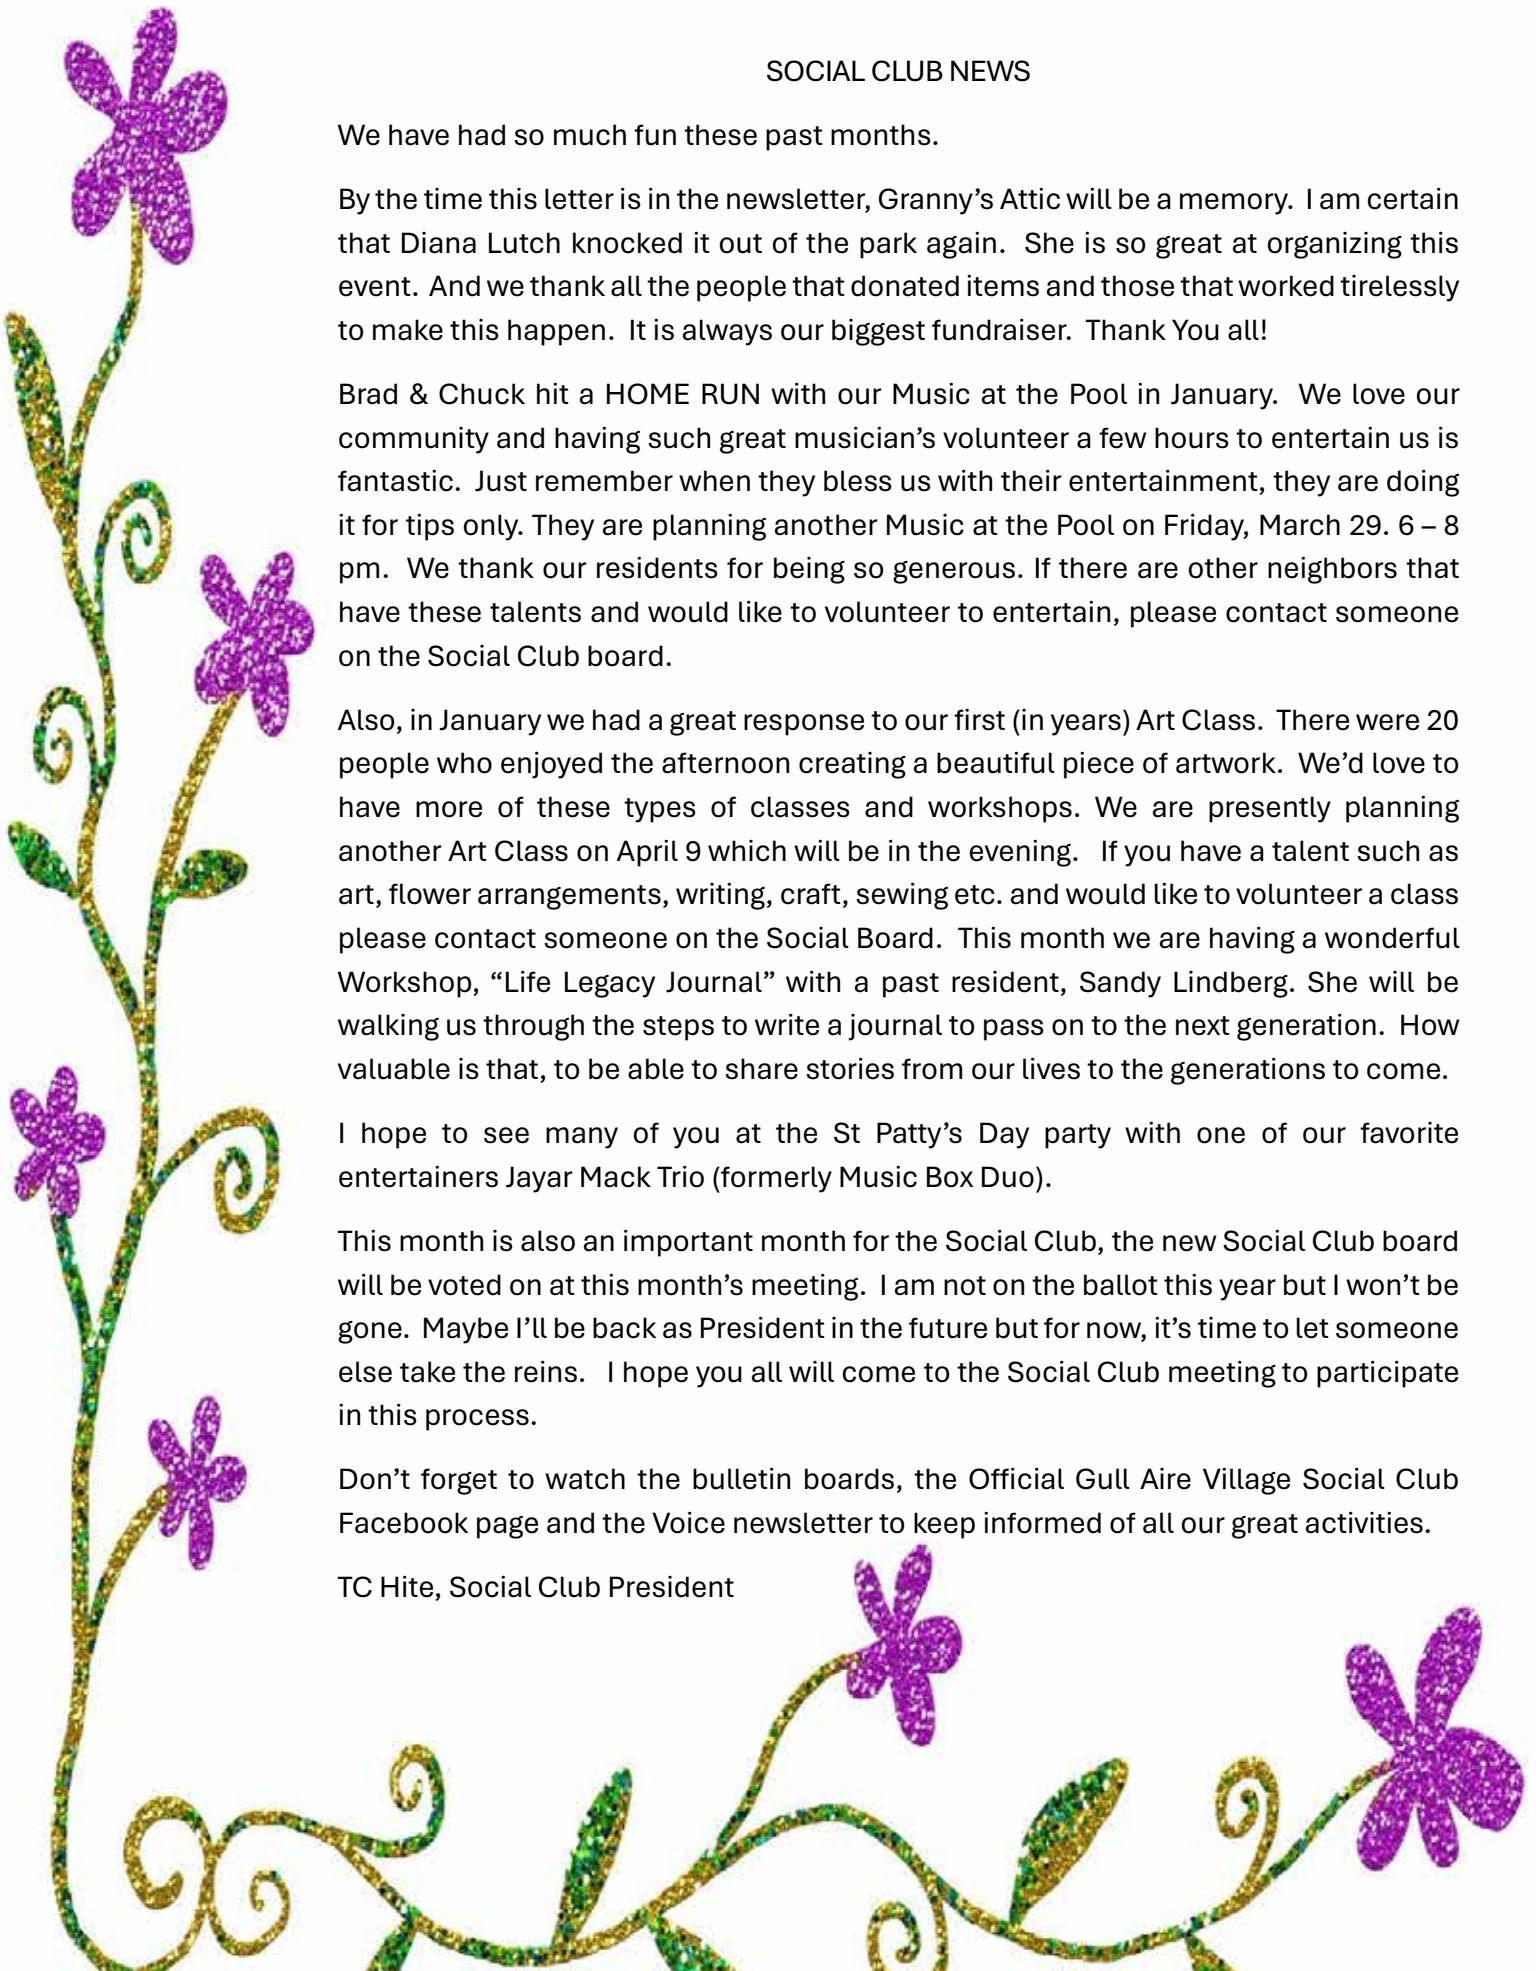

Also, in January we had a great response to our first (in years) Art Class. There were 20 people who enjoyed the afternoon creating a beautiful piece of artwork. We'd love to have more of these types of classes and workshops. We are presently planning another Art Class on April 9 which will be in the evening. If you have a talent such as art, flower arrangements, writing, craft, sewing etc. and would like to volunteer a class please contact someone on the Social Board. This month we are having a wonderful Workshop, "Life Legacy Journal" with a past resident, Sandy Lindberg. She will be walking us through the steps to write a journal to pass on to the next generation. How valuable is that, to be able to share stories from our lives to the generations to come.

I hope to see many of you at the St Patty's Day party with one of our favorite entertainers Jayar Mack Trio (formerly Music Box Duo).

This month is also an important month for the Social Club, the new Social Club board will be voted on at this month's meeting. I am not on the ballot this year but I won't be gone. Maybe I'll be back as President in the future but for now, it's time to let someone else take the reins. I hope you all will come to the Social Club meeting to participate in this process.

Don't forget to watch the bulletin boards, the Official Gull Aire Village Social Club Facebook page and the Voice newsletter to keep informed of all our great activities.

TC Hite, Social Club President

## BOCCE BALL

We have organized play on Monday and Thursday. For those not familiar we need 16 players each day, you have a choice of playing at 1:00PM on Monday or Thursday or both. If the teams are filled there will be a sign-up sheet on the bulletin board for anyone that would like to be a substitute. If one of the teams has an opening, you also can sign up to be a regular on one of the 2 days and a substitute the other. You do not have to find your own partner, each day before we play, we draw numbers, this will tell you which court you will be playing on and who your partner will be.

We look forward to a fun and exciting season!!!!

Please call Gene Henriksen, 727 421 6614  
If you have any additional questions.

## EVENING POOL AEROBICS

Hi all! We have started an evening Water Aerobics class, and we would love for you to join us! A little about me.....I am fairly new to Gull Aire (less than a year), work full time, am pretty social and enjoy making new friends! I need to strengthen my knees so that I can add more cardio to my personal routine in an effort to lose weight and avoid knee surgery! So, I decided I would try to lead a class in strengthening, balance and a bit of cardio. No experience necessary and a "judge free" zone!! If you think this is for you, please join us on Monday and Thursday evenings at 6:00pm. Hope to see you there!!

## Veterans Meeting

The next Veterans Meeting is March the 12th. Hopefully by then I will have some information about the trip to Washington DC. Also we will be discussing the Quilts of Valor. If you haven't received a quilt, please be sure to attend. Also I am taking up applications for the Veterans Wall in Oldsmar. Once we have that out of the way we haven't had a story time lately. Let's get the veterans together and tell some funny things that happen wherever you were while in the service. I'll be sure to have coffee and cookies for you to snack on. This is a great way to meet with your fellow veterans and hear those great big tales if you know what I mean. We are also working on a special event for April.

## ✓ VALERIE TATARZEWSKI

for Oldsmar City Council Seat 3

**VOTE  
TUESDAY  
MARCH 19 2024!**

**I WANT TO BRING FRESH IDEAS and alternate methods to promote better communication from our City to its residents.**

### MY VISION FOR OLDSMAR:

- **PROMOTE HONEST AND TRANSPARENT GOVERNMENT** – listen, respect residents' opinions & respond to their needs.
- **CREATE A CHARMING DOWNTOWN** – that is family friendly, walkable and free from high density apartments.
- **STANDING FOR VETERANS AND FIRST RESPONDERS** – with a family of veterans, police, prison guards, and volunteer fire fighters, it is important to provide them with the support they so richly deserve.
- **IMPROVE COMMUNICATIONS** – no community can flourish without excellent communication. I feel this area is lacking in the city of Oldsmar and that there are gaps that need to be bridged.

**My passion in life is community, family, volunteering, and a desire to advocate for people without voices. Each person deserves to be heard and their opinions valued.**

### QUALIFICATIONS:

- College graduate with degrees in Social Work and Psychology
- Paralegal in Real Estate Law
- Guardian Ad Litem for Pinellas County
- Supporter of Oldsmar Cares and Oldsmar Friends of the Arts
- Coach of Oldsmar Cardio Drumming
- Woman's Club of Oldsmar Member

## Oldsmar Recycled Art Challenge—Coming Summer 2024

Calling all artists and recycling enthusiasts. Start planning your entry into this fun and creative challenge. In June, the city hall art gallery will proudly display creations made from recycled items submitted by residents and employees. **There will be prizes for the best entries and fun for all!**

Time to start planning and accumulating your materials. If you aren't planning an entry of your own, but, you would like to contribute recycled items for others to use, you can drop them off at City Hall, Cypress Forest Recreation Center or the Library beginning in March. The following items are sought: bottle caps (any color), bubble wrap, paper towel/TP rolls, K cups, egg cartons, CDs, colorful magazines, plastic utensils (any color). Just make sure your items are clean and dry!

We hope Gull Aire residents will demonstrate their normal enthusiasm for City art projects and win some great prizes sponsored by Oldsmar's Village Inn.

Commit to joining the Recycled Art Challenge today!
