President's Letter

Spring is here! It is an excellent time to do a little spring cleaning. Is your carport in need of attention? How about those flower beds, do they need weeding? Let's keep GAV a place to be proud of and one that shines when people visit.

I want to welcome Karen Collinworth on behalf of the board and thank her for volunteering to serve. Karen will fill the position of Board Treasurer. Karen brings with her years of financial experience and will be an asset to the community.

As you may have seen, Pinellas County has a sign on Tampa Road that warns residents to keep their cars locked as there has been some suspicious activity in the area. I would extend their warning to golf carts, too. Make sure you lock both your car and your golf cart. I believe we reside in a safe neighborhood; however, we cannot take it for granted. Lock it up!

The home which was severely burned at 257 Pelican North has been demolished and removed. The owner is currently weighing his options as to what he will do with the lot.

I have received complaints again about people driving too fast through our community. I realize many times it is non-residents, however, please do your part and slow it down. We don't want someone to be injured.

With Spring's arrival, many of our snowbirds will be heading north soon. I want to wish them safe travels and hope they have a great summer. See you in the fall!

John

I would like to thank everyone in advance for your understanding of the "abridged" version of the newsletter for the month of April. Due to personal reasons and the timing of it being due to the publisher, I was unable to take the usual amount of time needed to complete a full version. The important pieces such as Board President letter, Social Committee President letter, calendar and other such items are included here. We will be back to our full printed newsletter in May.

Again, many thanks for your understanding.

Architecture Guidelines

Just to clarify a few things... the AC committee does not need to approve roofing or windows nor do we need applications for replacements of carports damaged by hurricanes. These improvements do need to have permits unless they are on the hurricane exception list provided by the city and county. Windows in modular are exempt from permits if it is the original windows that are being replaced.

If you are doing a new enclosure then the AC Committee does need an application as this will be placed in your files and yes this will need a permit as well. The city and county have really tightened down on permits. Their websites are an excellent source of information as.

If you ever have any questions, please feel free to contact any of our regular AC committee members. Peggy Allison, Carl Foley, Jill Kauss, Randy Collinsworth or Ralph Richardson.

**** IMPORTANT ****

Due to the pending floor replacement of the clubhouse, we would like to ask all those who are borrowing books to please **HOLD ONTO THEM** until the floor replacement is completed.

DONATIONS OF ANY KIND ARE NOT BEING ACCEPTED AT THIS TIME

We appreciate them, but due to the size of this project we cannot accept any more items until after the floor replacement and Library reinstallation is completed.

Once things are put back in order, we will determine what items, if any, we will accept for donation going forward. Our space may be more limited.

Also, a friendly reminder that if you borrow any puzzles and find that any pieces (even one) are missing, please discard the puzzle and do not return it to the Library area.

NOTES FROM THE SOCIAL CLUB

Our annual Bingo Extravaganza was a huge success. Everyone enjoyed themselves even if they did not win.

April brings you our Aloha Party where we say farewell to our snowbirds. All your friends will be waiting for your return. May your summer months be full of fun with family and friends. We will miss you.

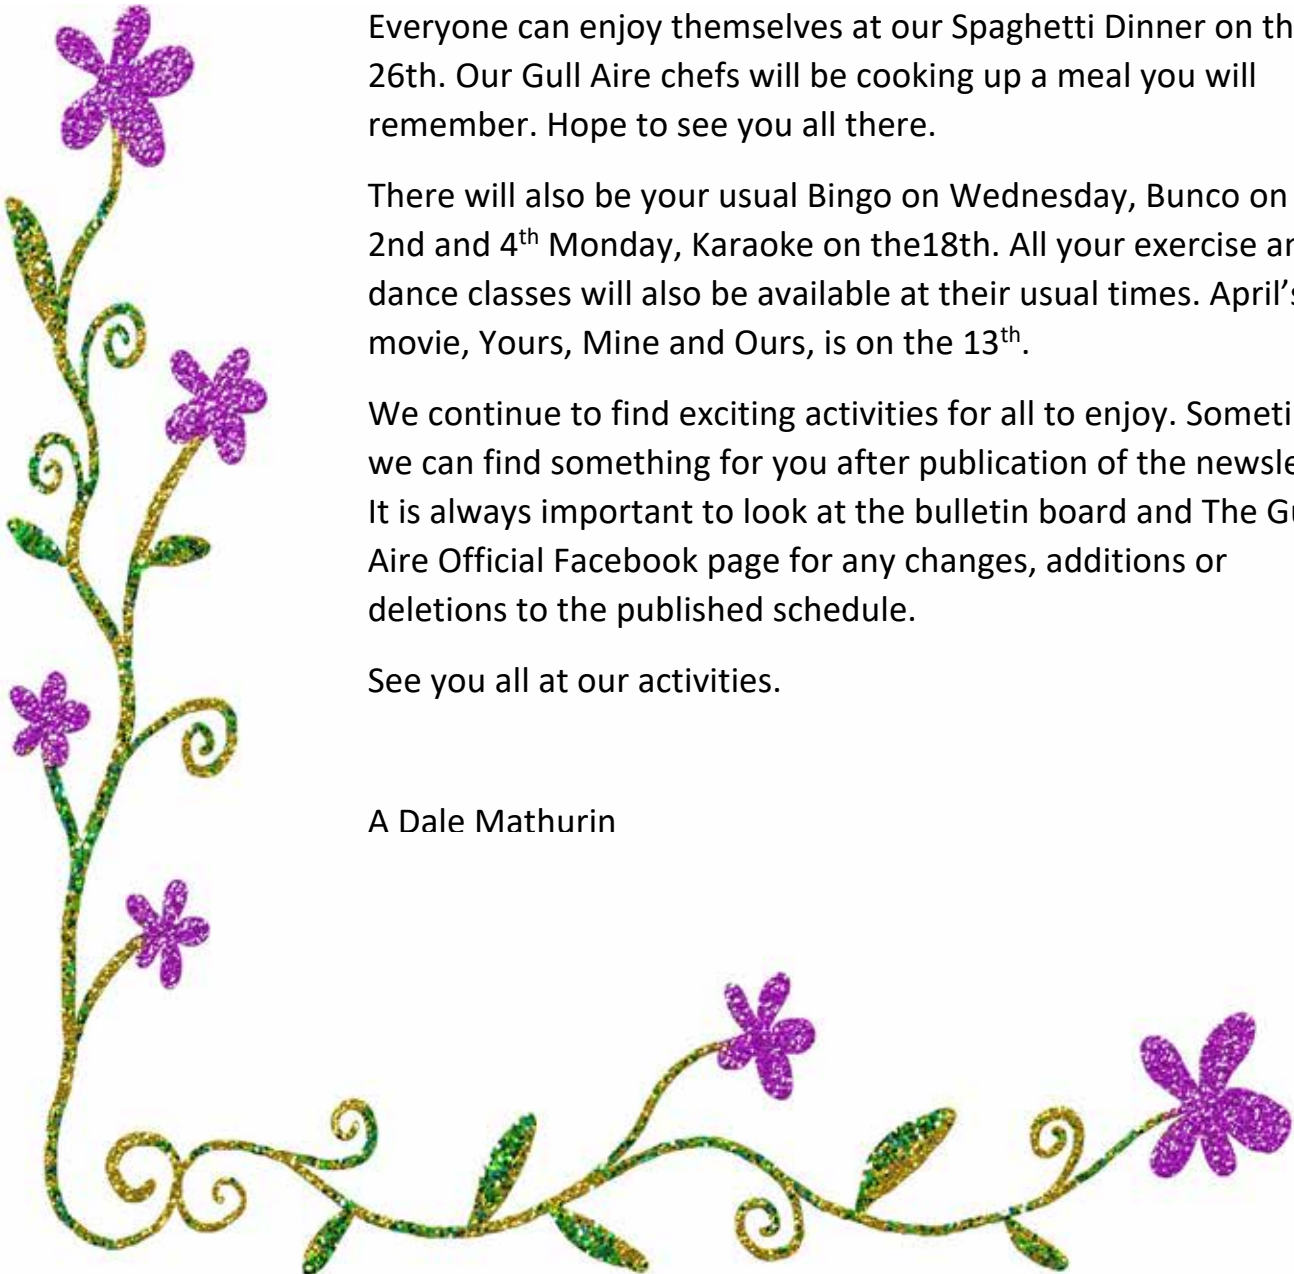

Everyone can enjoy themselves at our Spaghetti Dinner on the 26th. Our Gull Aire chefs will be cooking up a meal you will remember. Hope to see you all there.

There will also be your usual Bingo on Wednesday, Bunco on the 2nd and 4th Monday, Karaoke on the 18th. All your exercise and dance classes will also be available at their usual times. April's movie, Yours, Mine and Ours, is on the 13th.

We continue to find exciting activities for all to enjoy. Sometimes we can find something for you after publication of the newsletter. It is always important to look at the bulletin board and The Gull Aire Official Facebook page for any changes, additions or deletions to the published schedule.

See you all at our activities.

VETERANS

Mike Young, Paul Allison and myself attended the VFW of Oldsmar in February. There were quite a few members there. They also had their auxiliary members in attendance. I would say that about 45 people were there. Half way thru the meeting the two groups separated into their own meetings. I stayed with the VFWs to hear what all was being discussed. They talked about how they raised money to support local flood victims that were members, local agencies that have helped with the flood and also how they were going to raffle off baskets to raise money for other events they were having. They support different places here in Florida to help support the VFW veterans in many ways. It was a very informative organization that if you are a war time veteran should think about joining, if not for camaraderie, but to help others.

We will not have a meeting in April unless I'm able to find a speaker. You want to attend the VFW meeting at TECO Hall at 7pm the 3rd Thursday of each month. 400 St. Petersburg Dr East, Oldsmar, FL 34677 They were very welcoming and you just have to walk in and say you are from Gull Aire Village and you will be glad you walked in the door.

A HISTORY MINUTE

Originally envisioning 700 homesites, Gull-Aire Village finally plotted a little over 600 lots.

The first homes touched down on lots in:

(a) 1978 (b) 1812 (c) 1995

Prior to being developed for residences, the 99 acres of GAV was part of:

(a) A golf course (b) a horse farm (c) an amusement park

Dennis Quaid and Rene Russo are a perfect match in this irresistible comedy about two single parents who get married.... Only to meet some unexpected homewreckers- their own kids. Admiral Frank Beardsley (Quaid), a widower with eight children, runs his family like a tight ship. Frank's orderly life changes course when he impulsively +marries his long-lost high school sweetheart, Helen (Russo), a free-spirited fashion designer with ten kids of her own. For Frank and Helen's wildly different families, it's fight at first sight. This house has hilarious moments and some heartwarming surprises. This movie is rated "PG".
