Help Wanted!!

Throughout the year the Activities Committee, which is part of the Social Club, has worked diligently to provide many events for the Gull Aire residents. This includes cards, bingo, exercise, and such, as dinners, decorating, and entertainment.

It is wonderful to see so many residents attending these events and you can see the efforts of the volunteers when it comes to setting up the tables, decorating, and cleanup.

EVERY resident of Gull Aire Village is a member of the Social Club, and we are in DIRE need of additional help in all aspects of our projects whether it be helping with setup, decorating, cleanup, or kitchen help. We always need help for weekend events.

We especially encourage you to volunteer in any way you can because, without more help, the Social Club might need to eliminate some of these events.

Please contact any board member of the Social Club to offer your help or fill in your information below and deposit it in the Social Club black metal box, located to the left of the kitchen side window.

Your help would be greatly appreciated.

HOA President's Letter

On February 25th we have our Annual Meeting. This meeting is held to select new board members. We have two current members, Sal Chieffo and Tim Farmer, who have completed their term and will be leaving the board. I want to thank them both for volunteering and doing an excellent job serving the community. If we have more than two residents submit their intent to run to fill these vacancies, an election will be held. If this happens, be sure to vote!

I want to remind everyone if you pay your monthly HOA fee directly from your personal bank account you will need to change the address where it is sent. The new address is:

Gull Aire Village
c/o Ameri-tech Community Management
PO Box 20848
Tampa, FL 33622

For the account number use your street address number, ex. 151. Do not include your street name.

We have a group of volunteers soliciting quotes on replacing the clubhouse floor. Once they have obtained three or more quotes, they will be available for residents to view before the board votes on which one they see as the best choice.

The Bocci courts have been updated and should be open by the end of January. The courts look great, and with the fresh look you may want to join the fun. You do not need to know how to play, there are plenty of residents willing to show you the ins and outs of the game.

If you are planning to update your property do not forget to fill out an application and drop it off in the Architectural Committee's mailbox in the clubhouse. You will need approval prior to starting your project. In addition, it is your responsibility to check with the City of Oldsmar to see if a permit is required.

John Monser

BOCCE BALL

In the December issue of the GULL AIRE VOICE we had an article regarding the need for both permanent and substitute players for both our Monday and Thursday organized days of play. We have picked up a few new players but still need more.

If you have been out and about in our village you likely have noticed the Bocce Courts are under renovation, which has been

badly needed. Hopefully when the February issue of the GULL AIRE VOICE is delivered the work will all be completed and play will be in full swing.

If you have not done so, PLEASE consider being one of the permanent or substitute players. Being a substitute you would only play when there is a need to fill-in for someone that cannot make it that day. It's a fun game for seniors, you get a couple of hours of light exercise and meet and enjoy your neighbors.

The courts are not just available on Monday and Thursday, as a resident of Gull Aire you can use them any time you want, if you do not have a set of bocce balls of your own contact me and I will have a set available for you.

The sign-up sheet is still on the Club House bulletin board, PLEASE JOIN US !!!!!!!!!!!!!

VETERAN'S MEETING

As of the last Veterans meeting, we collected the last Quilts Valor applications. When I hear back from the organization, I will inform Gull Aire Village so you can attend this wonderful ceremony. This ceremony honors our Veterans, who have been touched by war in any way, with a Quilt. These quilts are handmade and come from any state. They are no two alike and are quite beautiful. I hope that you will attend this ceremony when we will be able to have it at the clubhouse.

I would like to be able for our veterans to attend the Oldsmar VFW, at TECO Hall in the Oldsmar Library, for our next meeting which is on the third Thursday. So instead of meeting at the clubhouse, let us support our local VFW and meet Feb 20th at 7pm at the VFW meeting to check it out. If you have any questions, please let me know.

ARCHITECTURAL GUIDELINES

These guidelines are not to be considered exclusive nor override any existing deed restrictions or covenants of Gull Aire Village. Nor do these guidelines superimpose any existing requirements for the City of Oldsmar. Owners who propose to change the exterior of their home or property must submit an application for the proposed change to the A/C. Application forms are available in the clubhouse by the bulletin boards. Homeowners whose applications have been denied by the A/C have the right to appeal to the BOD.

- AC complaints. Outside painting has been occurring without turning in applications. Please fill out an application and turn it into the AC box in the clubhouse.
- Also with spring hopefully around the corner remember all applications need approval before any project can be started. Even though the AC committee approves your project the city also has to approve certain ones.
- Your committee is here to help and guide you any way we can. We can come to your residence to give advice to make your project work if able. Most guidelines are online in GAV.org.

Your AC Committee is here to help you with questions should you have any in regard to changes to the exterior of your home.

"I woke up to a flat tire, called AAA, They came out and put air in the tire enough for me to get to a shop. I had never used Oldsmar Automotive before but they were close by. I spoke to Justin who said to come in right away. He looked at it and it was not able to be patched because of the location of the leak. He immediately ordered me a tire and gave me enough air to last till the next day when the tire came in. He called me when it arrived and changed it immediately upon arriving. Price was fair and he was very pleasant and nice to deal with. I will use him for other repairs if needed in the future. AW

If you would like to contribute to this column an experience whether good or bad you have had with a company, it will help many residents. Just fill out the referral form found on the clubhouse bulletin board by the 1st of each month and submit it right next to the forms.
