GAVA NEWS

Dear Gull Aire Village Residents,

Welcome back to our snowbirds! I hope your summer months were enjoyable, relaxing, and filled with time with family and friends. It is wonderful to see Gull Aire Village come alive again as residents return for the season.

The Board continues to work on improvements throughout our community. I am pleased to share that the water fountain at the shuffleboard court has recently been repaired and is once again available for residents to use and enjoy.

Community Reminders

We are currently at the height of hurricane season, and residents are encouraged to remain vigilant. Please review your personal preparedness plans, secure outdoor items when storms threaten, keep emergency supplies on hand, and follow updates from local officials. Helpful preparedness resources are available from Ready.gov Hurricanes, NOAA Hurricane Preparedness, and the National Hurricane Center.

As elections draw close, residents are also reminded that political support signage is permitted only during the 30 days prior to an election. Signs should be removed within a few days after the election.

Questions or concerns should be submitted in writing and placed in the box located in the clubhouse. Please include your name, address, and phone number so the Board can follow up if needed.

Thank you for helping keep Gull Aire Village a safe, welcoming, and enjoyable place to live. Your continued care and cooperation help make our community a place we are proud to call home.

Sincerely,
Sal Chieffo
President

Gull Aire Social Club News

The fun never stops in Gull Aire Village. This October brings several events that we know you will enjoy. On the 24th we are hosting a Wellness Fair. There will be various medical and insurance companies represented that you may be interested in. Come and browse around. On the 25th we have our annual Halloween Golf Cart Parade. This is your chance to show off your scariest and most creative skills by decorating your golf cart. We will meet at the clubhouse and then drive around the village showing off our spooky creations. Golf carts will be judged on presentation and creativity. What a night this will be. We will finish the month on the 31st with a Halloween Dance. Come dressed in your favorite Halloween costume and dance all night to great music. This has always been a great fun filled night.

October will also have our usual activities that you enjoy. There will be all the different exercise classes as well as game nights. On the 16th you can show off your wonderful vocal skills at Karaoke. Bring your friends and neighbors so you can impress them with your skills.

Don't forget Bunco on the 12th and 26th. This is a fun game where you always change partners and move around to different tables where you can meet new people. As always, we have Bingo every Wednesday. Why not come and play and possibly win some money. Every Wednesday before Bingo we will be having hot dogs and hamburgers. This is the night you can go out to dinner and then have some entertaining fun.

As always, keep checking the bulletin board and the Gull Aire Village Official Facebook Page for any changes.

So, get ready to enjoy October with your friends and neighbors. There is always something happening in Gull Aire Village, and we hope to see you at these fun-filled events!

Architectural Applications

Snowbirds will be returning and we have new residents. Just a reminder before you start a project, please read the AC guidelines. They are listed on the application plus other information can be found on our GAV website. The city is cracking down on permits so always call them about whether you need a permit or not. Our board is doing an excellent job on follow up jobs that have been completed without permits and making note of this along with Ameritech.

Your AC committee is always willing to help.
