PRESIDENT'S LETTER

As we enter the new fiscal year, our community is guided by high expectations. Over the past year, the board has successfully completed several key projects, including upgrades to the clubhouse floor, improvements to the bocce court, the addition of new pool umbrellas, updated ceiling fans and lighting in the clubhouse, and a comprehensive reserve study to name a few.

In the coming year, a newly appointed board will address the significant challenge of replacing or repairing the wall. The anticipated cost of this project was the primary reason for increasing our reserve contributions. While maintaining the current \$60.00 monthly fee would be ideal, it would not be fiscally responsible to overlook the future expenses associated with the wall. Regardless of the path chosen for the wall, this will be a considerable investment for our community.

Some residents have proposed raising RV lot fees to cover broader community expenses. However, our governing documents require RV lot rental fees to be used for RV lot maintenance (Under Rules and Regulations: "The monthly maintenance fee is \$15.00 per month..."). With an annual budget of \$2,500 and average spending on the lots is under \$500 a year, the current rate of \$15 per month is more than sufficient (it raises \$5040 per year). The surplus, about \$4,500, unintentionally subsidizes general community costs, creating an extra burden for RV renters. Shared expenses for common areas like the clubhouse, wall, bocce court, or pool etc., are to be distributed fairly among all residents. Singling out one group to pay more towards the common area than the monthly HOA fee is not only unfair but it is not right. This month marks the commencement of our board member selection process. There are three positions available for appointment this year. Should four or more candidates express interest in serving, a formal election will be held to determine the new board members. At that point, the decision rests with you, the community, to choose the individuals who will represent your interests.

Warm regards,
John

Gull Aire Social Club News

We would like to welcome all our new residents to Gull Aire Village. In Gull Aire Village you have many activities that will make your living here exciting and a pleasure. Your Social Club works hard to provide various activities that will appeal to you.

Our February lineup begins on February 3rd with a memorial service for all our departed loved ones from 2025. This is our annual service and invites all residents to participate in honoring their lives. Following the service we will have our monthly Social Club Meeting. During this meeting we will take nominations of those who wish to run for any position on the board. There is a sign-up sheet on the bulletin board if you are interested in running for a position. Once we have the nominations, we will then make the ballots for our March election.

There will be a Superbowl Party at the clubhouse on the 8th. Bring your own chair if you want and your own drinks and snacks. January 17th was the last date that Perry Burright hosted Karaoke. Perry has been at it for 15 years and stated it is time to "retire". We thank Perry for all he has done for Gull Aire Village. Starting in February, Chuck Vaught and Jodi Vercellino will be hosting Karaoke. Chuck and Jodi have expressed a desire to introduce a few new elements that will have you participating more. We look forward to seeing these additions to Karaoke. For February ONLY, Karaoke will be on Saturday the 28th at 7:00pm. This year's Valentine's Dance will be held on Valentine's Day February 14th. How appropriate it will be. On Friday the 20th we are going to have a Campfire Cookout. There will be a fire pit on the lawn between the Bocce Ball court and the sheds. The Social Club will provide the hotdogs and hamburgers. All you have to bring is a side dish, enough to feed 10, your own chairs and drinks. The evening will be open to anyone who wants to sing, play an instrument, or tell a joke or story. Let us have fun around a campfire.

Our annual Granny's Attic will be held on the 28th. Come on down and check out all the great items that are exactly right for your needs. There will be items for household use, gift ideas and decorations. See you all there.

Koffee Klatch is on the 7th & 21st. Movie the 8th. Bunco on the 9th & 23rd. Do not forget Bingo every Wednesday at 6:00pm.

VETERANS

There will be a VETERANS meeting on February 17th at 6:30 pm. I'd like to invite all veterans, spouses, and guests. This will be an informal meeting to introduce any new veterans that have recently joined Gull Aire Village.

This meeting is to form a camaraderie among the veterans and to talk about what you did in the military and to learn more about what each and everyone did after they got out of the service.

It is a fun time that we have had in the past. We have learned a lot about the veterans we never knew. It is definitely informal and full of laughter.

Come join us and tell some stories that you would like to share. Everyone will get a chance to share the spotlight and tell their story.

I will also have the forms for the Quilts of Valor, The City of Oldsmar Veterans Wall Engraving and information about going on the Honor Flight to Washington DC.

If you have never been, try it out and meet some of the best friends you will find in Gull Aire Village.

INTERIOR RENOVATIONS

SABERCONSTRUCTION SERVICES LLC

727-267-9306

"We recently purchased 231 Tarpon Ln and entrusted Saber Construction with a complete interior renovation. Kyle, the owner, served as our primary point of contact throughout the project.

WHAT WAS DONE:

New Bathrooms* Kitchen* Flooring* Drywall*
Painting * Light Fixtures* Baseboards*
Crown moldings* Etc.

Essentially, the entire interior was gutted and rebuilt.

We highly recommend Saber Construction Services

Kyle listened to our ideas and offered even better suggestions. The work was responsible, on-time, and priced reasonably.

Feel free to reach out to me for more details or to arrange

a visit to see the work, the renovation-seeing the finished work is the best reference."

Architecture Committee

With new residences and being on the CODE OF ENFORCEMENT BOARD for the City of OLDSMAR I thought I would mention regulations. Other things that residents need sometimes besides filling out applications for ARCHITECTURE the CITY of OLDSMAR requires permits for some of your home improvements which you are required to get PLUS other PERMITS. Other questions about permits you might have are the following

Do I need a permit to have a garage sale?

Yes. A no fee garage sale permit is required to hold a garage or yard sale. There is a limit of 2 garage yard sales per year per property. It is illegal to place a sign in medians and right-of-way or to tack signs on utility poles or trees to advertise the sale. One sign is permitted on the property where the sale is occurring and up to 3 off-site placed directional signs are permitted with the approval of those property owner(s). Contact the [Building Division](#) for the permit.

When must I obtain a building permit?

As per Chapter 1 of the Florida Building Code, "Any owner or authorized agent who intends to construct, enlarge, alter, repair, move, demolish or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert or replace any required impact-resistant coverings, electrical, gas, mechanical or plumbing system, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required permit."

How do I apply for a building permit?

Applications are available at City Hall in the office of Planning and Redevelopment and online on the City of Oldsmar's [website](#). Multiple applications are available depending on the scope of the work. The applications must be submitted with a description of the work as typically found on construction drawings. City staff can assist you with the application process.

I hope this might answer a few questions. REMEMBER that if you are not sure whether to fill out an application you can call a committee member or go ahead and fill the application out and we will let you know whether you needed it or not and then file it in your folder in the office if need so, BUT getting the permit is the responsibility of the resident.

Important to know about Woodstock's - It is illegal to Feed!

There is an increasing number of birds congregating in one area of the Village, which is not their normal behavior, unless they are being illegally fed in violation of Florida Statute 379.412. In addition to the feathers and "mess" the neighbors have to deal with, it is becoming a safety issue for motorists. There are times when several birds are just sitting in the roadway and are hesitant to move. It is inevitable that either they could be hit by a vehicle OR a motorist/bicyclist will have an accident trying to avoid them.

Officer Carson, of the Florida Fish & Wildlife has recently seen the situation and is aware of the problem. He suggested that residents be made aware that: under Florida Administrative Code 68A-27.003/11 they are Federally-designated as a threatened/endangered species, and are protected under this Code. As it is **ILLEGAL** to feed them, the first violation is a penalty of a \$100 fine plus a court hearing. For a second and subsequent violations the penalty escalates to a 2nd degree misdemeanor.

If residents should observe someone feeding them, take a photo or copy their license plate number and contact Officer Carson at 305-710-0781. Should there be multiple complaints, the State "could possibly" relocate the animals.
